ORDER

KATHERINE POLK FAILLA, District Judge:

The Court has reviewed the parties' joint status letter dated July 12, 2013, and noted that the parties have expressed a desire to meet for a settlement conference before Magistrate Judge Pitman. Judge Pitman's chambers have advised that the parties have not yet scheduled such a conference. According the parties are hereby ORDERED to provide a joint letter to the Court by **August 19, 2013**, including the following information:

- 1) whether the parties still seek a settlement conference before Judge Pitman; and
- 2) the date on which the parties now anticipate expert discovery will conclude.

If the parties no longer believe that a settlement conference will be fruitful, the Court will schedule a conference after the end of expert discovery to set a briefing schedule for motions for summary judgment.

SO ORDERED.
